## End of Two Seasons...

### Into Another

Written by: Krystal S. Wilson

The Trojan Football and Volleyball teams ended the year with some hiccups and even accolades. Through it all, leadership skills and camaraderie have been gained on both teams.

Through their athletic abilities and effort to do well on the court/field, academics and classroom behavior have been improved.

ACSD is determined to expose students to the many opportunities of the community and the nation. Through student ran organizations, assemblies, and even leadership shown from both staff and students, there has been a shift.

# The Lil' & BIG Trojans

## From the Elementary Principal Marino McDaniel

The Amite County Faculty and Staff was presented an award by the Amite County School Board of Education for achieving significant gains on the MAAP assessments administered last year.

The faculty and staff continue to build upon this accomplishment and look forward to the continued success this school year. The goal is 35 percent proficiency in ELA and Math and 75 percent proficiency in science. We are working as a team to accomplish this endeavor.

## Vision from the High School Principal Jasmine Jackson

As the new principal of ACHS, it has been important to me to learn my students and staff before full implementing a specific vision because outside of the building these are ALL real people. As I've had the pleasure of learning names, mannerisms, ability levels, and expectations. I inexplicably can only expect a vision for my students and staff to rise to their full potential. Since a vision can be defined as "the ability to think about or plan the future with imagination or wisdom," creating a vision for students that have so much potential is easy. I envision creating a learning environment that is focused around each individual student and is adamant about student success! There is no other option for my Trojans and I am passionate about that.

CONGRATULATIONS

Mr. Don Cuevas

We would like to give a special thanks to the Amite County School Board for their continued support for the following highlighted items:

- Congratulations to all student athletes and coaches for a great fall sports season. You made us proud!
- Amite County Elementary School improved proficiency in every state tested area. Way to go little Trojans!

Best wishes for all students and staff. Have a safe and happy holiday season!

*Happy Holidays!!!*

## THE NICEST PRESENT

Under the tree the gifts enthrall,  
But the nicest present of them all  
Is filling our thoughts with those who care,  
Wanting our Christmas joy to share.

To you, whom we're often thinking of,  
We send our holiday joy and love.

- Joanna and Karl Fuchs

## BASKETBALL Teams GIRLS • BOYS

Students with school spirit do more than show support for their school. They perform better academically, are more socially and civically engaged, and are happier in general than their less-spirited peers.
